Sport played in a safe and encouraging environment can have a positive impact on young people as they grow in character and confidence. Soccer, the world's most popular sport, is played by more boys and girls than any other sport. Netball is another fantastic team sport which is increasingly popular with young people.

ABOUT THE COACHING

At SportsReach Soccer and Netball Schools we aim to develop skills, teamwork and sportsmanship. We also teach the good news of Jesus Christ from the Bible. That's what SportsReach Sports Schools are all about...an all-round positive experience! Soccer and Netball School is an opportunity for your child to receive the highest quality sporting instruction from experienced coaches. To ensure quality instruction, we maintain a ratio of one coach to every six to eight young people. The coaching takes place in a safe environment, with an emphasis on fun!
